

Jane Ryan Roof Committee  
On Site  
October 29, 2009 Minutes

Commissioners: Johanna Malinowski, Chm., Michael Mammana, Debbie Lamberti, Michelle Salem and James Fracker.

There was not a quorum so the Chairman indicated that all actions would be by consensus to be ratified at a future meeting

Consensus to approve the minutes from October 13, 2009.

Al Babarotta, Dean Petrocelli and the contractors were all in attendance.

Al Barbarotta said that they walked the roof.

They are hoping that the stone and the gravel will be done the following week.

The canopy outside the main entrance of the school was filled with water.

The windows that were broken will be replaced.

Greenwood already paid for the damaged carpets.

They haven't decided about the classrooms with the blocked sprinklers yet. The engineer gave three options to rectify the problem.

They have to make a list of the things that need to be done/fixed.

They want to get the main area finished.

There are holes in the concrete where they put the pipes through to the next classroom. They will be fixed too. Insulation is coming off some of the piping already.

One of the skylights is too low and will be fixed and the ladder needs to be extended still.

The next meeting will be Monday, November 16, 2009 at Jane Ryan School.

Fran Smith: Clerk
